**MAYORS CORNER**

I would like everyone to join me in wishing North Marion Superintendent Linda Reeves well on her decision to retire, after 40 years working in education. She has done a remarkable job, offering her hard work and dedication for our children. Also retiring, is North Marion Councilor Colleen Vancil, who has had great dedication in helping the students further their education.

The sidewalks for the Veteran’s Memorial are finished, but more personalized bricks need to be sold to complete this project. Please contact Linda Kleczynski at (503) 981-0287 if you would like to buy a brick.

The improvements at Barendse Park are nearly completed. Stop by to take a look!

Thank you,

**IT IS TIME TO UPDATE HUBBARD’S TRANSPORTION PLAN!!**

In 2010, the City of Hubbard was awarded a grant from the Oregon Department of Transportation (ODOT) to update the Hubbard Transportation System Plan (TSP).

The City’s first transportation plan was adopted in 1999. Since then, Hubbard has grown in population and size. The City needs an updated transportation system plan to make sure the street system remains safe and continues to work for use by vehicles, pedestrians, transit riders and bicyclists.

*Continued on Page 2*

Continued from Page 1

In 2011, the City formed a committee that includes representatives from the Planning Commission, City Council, City staff, ODOT, Marion County, and consultants. The committee will meet for about a year to prepare a revised plan.

The Transportation Plan update will identify existing and future transportation needs and deficiencies, and evaluate alternatives to address these needs. The project will also result in a preferred plan to address the City's transportation needs through the year 2035, including the development of a transportation finance program to fund transportation improvement projects identified in the plan.

**\*\*\*To write a good plan, the committee needs to hear  
from those who live in Hubbard. \*\*\***

**HOW CAN YOU GET INVOLVED?** The City wants to share the details and listen to your questions and concerns about transportation needs in Hubbard. A gathering is planned for **July 18<sup>th</sup>** from 6:00 to 8:00 p.m. at City Hall, 3720 2nd Street, Hubbard. There will be displays and people to answer questions while you share in the refreshments.

**MORE INFORMATION AVAILABLE AND WHAT HAPPENS NEXT.** For more details, keep checking the City's web site at: <http://www.cityofhubbard.org>, click on Business and Economic Development, and **TSP Update 2011** under the listing of TSP (Transportation System Plan). Information will be also be posted about future meetings as they are scheduled and when printed materials are available for review.

#### **NOXIOUS VEGETATION REMINDER**

Just a reminder, it's that time of year again! The sun is shining which means the grass and weeds are growing! Please remember, the **City's Code** states:

*"Between May 1 and September 30<sup>th</sup>, no owner or person's in charge of property may allow noxious vegetation to be on the property or in the right-of-way of a public thoroughfare abutting on the property. It shall be the duty of an owner or person in charge of property to cut down or to destroy grass, shrubbery, brush, bushes, weeds or other noxious vegetation as often as needed to prevent them from becoming unsightly, from becoming a fire hazard or, in the case of weeds, or other noxious vegetation, from maturing or from going to seed."*

**HUBBARD PARKS IMPROVEMENT COMMITTEE UPDATES**

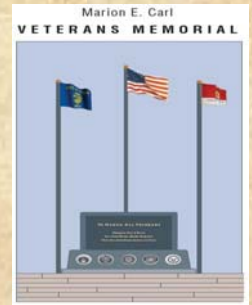

HPIC is still collecting all refundable cans, and plastic and glass bottles. Drop off location is Hubbard Chevrolet at the detail shop, Monday through Friday 7:30 am to 5:00 pm. We need all the cans and bottles we can to make this a successful event. We will be doing a collection on Saturday, July 9, 2011, from 9 am to 12 pm. Instead of you delivering to Hubbard Chevrolet, we will be collecting door to door, so please leave cans, and plastic and glass bottles on your front porch labeled "Can Drive." We will continue this fundraiser throughout the summer, so please remember the Parks when you are wondering what to do with your cans.

Hubbard Parks is having our 1<sup>st</sup> Annual Silent Auction and Dinner on Saturday, August 20, 2011 at the Hubbard Fire Hall. We have many great items such as a guided fishing trip on the Columbia River, Hot Air Balloon Ride, Al's Garden Center, Bullwinkle's Family Fun Center, and Chehalem Glenn Creek Golf Course, to name a few, available for auction on this night. All proceeds go to the improvement of the Hubbard parks. The auction will include spaghetti dinner, wine, music, and the opportunity to bid on the great items that have been donated by local businesses. Tickets will be \$10.00 each and can be purchased at Key Bank on July 5<sup>th</sup> and July 15<sup>th</sup>, and at the Hop Festival on Saturday, July 16<sup>th</sup>. You must be at least 21 years or older to attend this event. For more information or to purchase tickets you may contact me at 503-982-3890.

Thank you!  
Jonnie Wachter, HPIC President

**Marion E. Carl Veterans Memorial Update**

There will be a "**Purchase Your Paving Stone Party**", Saturday, July 23<sup>rd</sup>, in Rivenes City Park from 12:30pm – 3:00pm. Some Military equipment will be on display from the Woodburn National Guard Armory. Lunch refreshments will be sold consisting of BBQ Hamburgers with all the trimmings, chips, and a beverage for \$5.00. Dessert will be **FREE** with the purchase of the lunch. This will be a good opportunity for those who have not purchased their paving stone(s) to do so at this time. Order forms with receipts will be available. We still need more paving stones to be purchased to make this Memorial a successful tribute to our veterans. Businesses or families may also purchase stones in their name to help support the project. Engraved paving stones are \$50 each and donations are also accepted. The Evergreen Aviation & Space Museum has donated 4 passes (valued at \$26 ea.) to be raffled off at our event. Each pass allows access to both museums, which hold more than 150 historic aircrafts, including the world's largest flying boat, the "**Spruce Goose**", spacecraft, artwork, and artifacts. We will raffle off the passes during the event. Each winner will receive two passes. Tickets for the raffle can be purchased at the event only (need not be present to win) for \$1 ea. or 6 for \$5. Come, relax and have fun!
