Need to reserve the ball fields?

Complete an **APPLICATION** and return it to Public Works at molinger [at] cityfohubbard.org (subject:

Barendse%20Park%20Ball%20Field%20Reservation%20Application) (EMAIL) or mail it to Hubbard Public Works, P.O. Box 380, Hubbard, OR 97032.

Please Scoop the Poop! We LOVE to see you walking with your dogs and enjoying the City's parks and open spaces – however please remember to pick up after them! No one wants to experience that “step” into a pile of wet poop! Yuck! An easy solution is to carry a few plastic bags with you on your walks and drop the filled bags into a trash bin on your way out of the park. Not only does this make strolls in the park more enjoyable for everyone, it also helps to protect our water resources. For your convenience, pet pick-up stations have been installed at Barendse Park, Rivenes Park, Wolfer-Will and Mill Creek Nature Park. Please give Public Works a call at 503.982.9429 if you have any questions or concerns!

If you would like to make a reservation for Rivenes Park, an **APPLICATION** must be completed along with providing the required insurance for the event and naming the City of Hubbard as an additional insured. These requests **must** be approved by City Council at one of the regularly scheduled Council meetings. When does the splash fountain turn-on?

The splash fountain is open Memorial Day weekend through Labor Day weekend. The fountain turns on at approximately 10:45 a.m. and turns off at 9:30 p.m.

The water is tested and treated regularly to ensure the health and safety of those who use the fountain.

To help ensure that the water does not get contaminated do not allow your children to play in the fountain with regular diapers, however, they are welcome to play in the water with swim diapers on.
