

Wolfer-Will Greenway

Wolfer-Will Greenway is located at 2300 "D" Street, was donated to the City in 1996 by the Wolfer-Will families. This greenway is the last of the original Wolfer Farm, originated in 1880. In 1999, a generous donation was made to the City, which allowed us to purchase several baby trees. They were planted in the fall of 1999. As these trees grow, they will add beauty and shade to be enjoyed by all!
