

HONOR OUR VETERANS

The Hubbard Parks Improvement Committee would like to know if there is an interest in the creation of a Veteran's Memorial. The proposed memorial would be erected as a tribute to **all Veterans** in our communities, their friends, and relatives wherever they may be.

The Hubbard City Council has approved space at Hubbard's Wolfer Will Greenway on the corner of 7th and D St. in Hubbard to honor all Veterans (living and deceased). Before such a project reaches the planning stage, it is important to know approximately how many bricks/paving stones at \$50 each, we could possibly depend on citizens purchasing to honor their loved ones.

Please call Linda Kleczynski, President, at 503-982-0287 or E-mail kkleczyn@bmi.net by December 1, 2010 if you are interested in recognizing your Veteran or Veterans you know in this way. This article is written to find an interest only at this time. More details will be forthcoming.
