## PARTITION INFORMATION SHEET

Partitions are created when a tract of land is divided into two or three parcels within a calendar year, and when the tract of land existed as a unit or contiguous units of land under a single ownership at the beginning of the year.

### PARTITION REGULATION

Partitions are regulated by State Law and by the City of Hubbard's Development Code. The City regulations mandate that the applicant provide improvements necessary to serve all the proposed parcels. These improvements will generally include streets, storm water facilities and provisions for sewer and water service. Additional improvements may be required. An applicant must document that adequate facilities exist or can be provided as part of the proposal.

### APPLICATION PROCESSING

Once an application is submitted, along with all pertinent filing information (e.g. preliminary plan map, site map, title report, supplementary materials, etc.), City staff will review it for completeness. If additional material is necessary, you will be contacted. Once the application is determined to be complete, staff will prepare a report for Planning Commission review. The staff report is available seven days prior to the Planning Commission meeting. You will have the opportunity to testify on behalf of your application at the Planning Commission meeting. The Planning Commission decision can be appealed to the City Council.

### EFFECTIVE DATE OF APPROVAL

The Planning Commission decision shall be effective 12 days after the date of the notice of the decision by the Planning Commission unless the decision is appealed to the City Council.

### WHAT TO DO AFTER PRELIMINARY PLAN APPROVAL

An approved or conditionally approved preliminary plan is valid for one year following the issuance of a preliminary approval letter. Within this year, the applicant must submit a Final Plat, which conforms to all the applicable provisions of State Law (ORS 92) and approval conditions of the tentative plan. The City will sign and release the map when all the necessary City requirements have been fulfilled. The applicant must then file the approved final plat with the Marion County Recorder and return a copy of the recorded documents to the City following recordation.

### PARCEL SALES

No parcels in a partition may be sold until the final map has been filed and acknowledged by the Marion County Recorder.

### ADDITIONAL INFORMATION

For additional information on partitions, call Hubbard City Hall at (503) 981-9633.
