In 2016, Hubbard was ranked as the safest city in Oregon by [Safewise](#). In 2015, Hubbard was rated the 2nd safest city in Oregon. We like to believe that the patrol tactics from the Hubbard Police Department are a driving force behind how safe the city feels.

Our Police Department consists of our Chief of Police, a sergeant and four patrol officers. Although it is a small force, all of our officers are dedicated to the safety and well-being of both the citizens, and the community as a whole.

We always welcome questions or comments about safety concerns. The Hubbard Police Department is here to serve the community.
