LAND USE FEE SCHEDULE ACKNOWLEDGMENT

as of 2/11/2020 (attachment to Resolution No. 686-2020)

Resolution No. 685-2020 requires land use applications to reimburse the City for the actual costs associated with their applications. The City requires a deposit for land use application as required in section 3.206.03 in the Hubbard Development Code. Staff collects the deposit at the time of application.

Costs and time are paid out of the deposit. If it appears the costs exceed the initial deposit, the Director of Administration/City Recorder may require an additional deposit for costs that may be incurred to complete the project. At the end of the project a final bill will be prepared, and the City will either request additional funds or issue a refund check.

The following are examples of the most common types of charges and amounts per hour that will be incurred for land use projects in the City. These rates are provided for example purposes only, and you will be charged the actual costs incurred by the City as required by Resolution 685-2020. These example rates will therefore be reviewed annually and updated as necessary. You may request a copy of the most recent example rates at any time by contacting the Director of Administration/City Recorder.
